<JanG> Kas, Jan & Claire in Denver want to know if you're over jetlag
<flmlvr> My first question for ya - The "Liars" tour will not be in the Los Angeles area until September. Will you still be part of the band? It sounded like you had other commitments at that time of the year.
<Kasim> no
<louise> Kasim - will u be in Nirealnd????
<Sir-Chris> Are there any chances of you doing a solo gig in the UK?
<TheFool> Kas, What song will you sing on the TR tour ???
<Kasim> Unless something comes up, I'll be on the West Coast leg of Todds tour
<Michele> Is there an opening band for the Liars tour?
<matt21> any chance of scotland kas?
<flmlvr> Oh cool. What about a solo show on the West Coast? You never played the West Coast as just "Kasim Sulton" - we're dying to see you here too!!!!
<Kasim> I'm really not thinking about what song I'll be doing on the tour, I have too much new Todd material to learn
<golden> any favorutes
<RenegadeDi> LA sounds like a plan ;)
<Kasim> track 5

<Steph> I heard Liars a couple of weeks ago and I like it.
<Kasim> Hi Kat
<louise> Kasim, have u written any new songs recently?
<sultonfan> Kas, I got a nice DVD of you with Richie
<chalet> SEE YOU IN CLEARWATER MAY 21, KASIM!!!
<Michele> What instruments will TR be playing this tour?
<golden> got the cd yesterday - sounds great
<MirrorRoomBoy> I think maybe Liars is growning on me...maybe
<Michele> Lots of keybaord loops on the cd
<Kasim> Looks like I'll be playing some keyboards on the tr tour
<sisters3_ni> WHERE IS MY SOUL AND SACRIFICE ARE OUR FAV SONGS
<surftalks> I saw Jesse Grass was bidding for a copy of Liars on Ebay
<ceiligirl> kasim - who is the opening at for the Todd shows?
<bookgirl> how come the in ear monitors don't make you all sing like the people with headphones on??
<Kasim> are there copies to have??????
<XpattiRussoX> kasim, i need ur help. im learning sacrifice on the piano, and the chords to the bit where it goes ' with my eyes wide open, one foot out the door.....!' is blaggin my head in, what are they dont worry about timings, as long as i no them, i can put them in. cheers.xx
<feleena> Have you heard from Meat how is he?
<Michele> Hammond B3 LOL
<golden> can't wait to hear your harmonies agian
<TheFool> I'll being going to 6 TR shows, NJ, PA, FL
<Kasim> I doubt Meat wants to hear from anyone in the band right now
<Kasim> he just spent the past 2 years with us
<feleena> Oh bless him
<Kasim> GEEEEZE
<Kasim> with the sounds already
<Michele> How does it feel to be home!?
<nyaussie> hi kas it's Susan in Canberra - having a cup of tea with you - great Sydney show! perfect choice of songs for your set!
<MirrorRoomBoy> lol... I am sure you were all about sick of eachother
<chris_dublin> Yeah he fell out with me...im still waiting for my kiss!
<TheFool> Kas, where are you with the new Kas CD ?
<sisters3_ni> KASIM??
<Kasim> WHAT
<sisters3_ni> :)
<Tamara> hi kasim, what about Germany?
<sisters3_ni> HOW OLD IS PAUL CROOK???
<matt21> who's your fav band/artist of all time kas? ot top 3
<Kasim> Hey Tamara!
<Tamara> hey!
<Kasim> I think TR will be doing Festivals in Europe
<Keb> Kasim are you gonna tour the u.k.
<Kasim> weather Germany is on the schedule is anyones guess
<eeeeej> And in England?? Or concert halls?
<chris_dublin> Festivals! cool...drink..puke..drink!

<Resident_Squatter> Kas, you've just finished a 2 year long tour playing the bass – apparently you'll do it as well during the Liars tour - are you not bored? which instrument will you play for the next leg of the US tour?

<Kasim> I'm sure the next moth will see those dates being posted

<ceiligirl> kasim, will you record again with Sphere records and Scott ?

<KasimsGirl> SHut the door, hit the lights (then what)

<lou> what do you think of the idea of no amps and plugging into a cpmputer

<Kasim> I'm not too keen on the idea of no Amps

<Kasim> it's especially hard for the Bass PLayer

<Keb> I prefer amps.

<golden> is that true? no amps?

<MirrorRoomBoy> That will make for an interesting sound...very different I would think

<louise> KASIM! have u written many new songs recently?

<sultonfan> save the nice little venues for kas solos though

<JenniferSal> is that how the Todd tour will be set up then - no amps?\
 <Kasim> I'm sure the audience won't hear any difference

<Kasim> it's mostly the band that suffers

<flmlvr> Well, Kas, I hope to make you look forward to playing Los Angeles - cause unless a change has been made, the Liars are scheduled to play the Cerritos Center for the Performing Arts – and you'll LOVE playing there - it's so acoustically perfect, and the setting is really neat too.

<Kasim> only because theres no sound on stager to get you pumped up

<louise> KASim, when are the 'kaim live in the UK' cds gonna be available?

<TheFool> The audiance will hear the difference in the first ten rows

<Kasim> Guys, I've not had a chance to breath

<Kasim> I mean

<MirrorRoomBoy> I would think there would be less "impact" with no amps

<Kasim> I got back from Australia

<chris_dublin> you must be looking a bit blue then kasim

<Kasim> and took a week to decopmress

<ShaneNZ> Live In The UK? Yeah, I'd go for that! I'd like Kasim's Christchurch set to be on the upcoming Meat Loaf DVD too

<Kasim> then I had to sit down and start learning tr songfs

<feleena> poor Kas

<MirrorRoomBoy> How did Australia treat y'all Kas? Were the audiences kind?

<lou> some folks are wondering about the LED lights also will it confine the band a bit or will you be free to roam?

<Steph> how long does it take you to learn a song?

<matt21> hows the Meat DVD/CD coming along?

<eeeeej> do you have a fave new TR tune from Liars?

<nyaussie> australia loved him!!

<Kasim> every audience in Australia was great except for one

<eeeeej> or did everyone already ask that obvious question

KasimsGirl Shut the door, hit the lights (then what)

<ceiligirl> who, if any is the opening act for the TR shows ?

<surftalks> stood up eeeej

<MirrorRoomBoy> Was it different working with the orchestra?

<Kasim> no opener on trs tour

<JanG> Which Australian audience

<golden> TR mentioned he will be doing about 10 songs from Liars
<Kasim> can't say which one
<matt21> how long will the shows last
<Kasim> tr s show will be 2+ hours
<lou> who cuts your hair?
<Kasim> lou, are you serious?
<TheFool> Any cuts from Healing ?
<surftalks> hi eeeej confused on uk dates now
<louise> kasim wots your favourite disney movie?
<golden> what do you think of the VIP pass thing?

<Kasim> lookin forward to NC gina
<eeeeej> what happened?
